Family Promise

As a parent, I understand that my child's faith nurture and education will come primarily from us as parents and the church and Resurrection Lutheran Church's responsibility will be to support and guide us in our responsibility. As a result, I am also committed to do my best to ensure attendance at worship and Pathfinders Sunday school and/or Quest. This is to fulfill my promise to provide for their instruction in the Christian faith that we, as parents, made at our child's baptism.
