New Member Information Class July 25

To decide if Resurrection is the right church for you, we invite you to attend the New Member Information Class on Sunday, July 25 from 10:30 a.m. to 1:30p.m. in the Gathering Place. A free meal will be provided and child care will be available.

This session will share the character, mission and vision of Resurrection and help prepare you to make a decision about membership. It also gives you opportunity to get to know a smaller group of people entering the church and to share in some fun, learning and fellowship.

To join Resurrection, we will need the names of all family members as well as the dates and churches where they were baptized, confirmed and married, as appropriate. Please bring this information to class, so you'll be prepared if you decide to complete the necessary paperwork to become a member.

We will be receiving new members on Sunday, Aug. 1 at the 10:30 a.m. service. Share in the benefits and joys of belonging to Resurrection. Make it official and join the Resurrection family!

To sign up for the new member class, please RSVP to the church office at 763-271-4348. If you need child care, please let us know.

How Is Our Garden Growing?

The rains came and the plants grew! The Community Garden is fully rented and the plots are turning green with healthy looking produce. Our gardeners are having fun stopping by RLC and watching change happen day by day. Here are some interesting Community Garden facts:

- The ages of this year's gardeners span 80 years
- 11 plots are rented by folks who don't attend RLC
- One plot is being used to grow food for the Monticello Food Shelf!

The RLC Community Garden Team has put in well over 150 hours of work into creating the garden. The grant sponsors, Live Wright!, have been very impressed and gave our garden an additional \$1500 in labor funding which the team donated back so we can purchase a shed, picnic table and perhaps a rotor-tiller. In total, the garden received \$5,180 in grant funds and everyone involved is very pleased with how smoothly the project has progressed and how positively it has been received. Thanks to the Community Garden team (Engstrands, Ericksons, Erlandsons, Forsbergs, Hayes, Mayos, Sells, Suedbecks) for making this project happen and for having so much fun in the process! Thanks to God for bringing forward the gifts and skills needed, and we pray He will continue to bless our garden with good fruit of every kind.
