As you listen to the message, the Holy Spirit will speak to you personally. You can recognize His voice in moments when something stands out to you, a thought or word pops into your head, or when you have an unexpected emotional reaction to what you're hearing. Write it down! Pray about it. Then discuss it with your Journey Group. God is calling you, respond to Him!

2. When is the last time you intentionally made a real friend? How did you cultivate and grow that relationship?
3. What is one thing you have been shamelessly audacious about asking God for in the last year?
