NEWS

How to set up a recurring gift

Did you know that any time you give on our website, via text, or on the Church Center App, you always have the opportunity to turn that into a recurring gift? It's a simple way to make sure your gift comes out routinely and helps ease any worry. You can also view your giving records on that account as well. We encourage you to have the Church Center App downloaded where you can view all of your information at Resurrection such as giving records, event registrations, groups you're participating in, the church directory, and more.
